STAT

STAT

SUBJECT: U.S. Intelligence Community Physical Security  
Standards for  Control Facilities 

STAT

1. Action Requested: Your approval to circulate for  
NFIB  consideration proposed physical security standards for  
 facilities.

STAT

2. Discussion: The Security Committee established in  
1979 a working group with full Community participation to  
review the 1973 USIB Physical Security Standards for Compart-  
mented Information Facilities and to draft new standards for  
use with the  Special Access Control System. The result  
of that group's effort was unanimously approved by Security  
Committee members at their 9 July 1980 meeting. A copy of the  
proposed printed version of these standards is attached.

STAT

STAT

3. Recommendation: That you approve circulation of  
these draft standards to the NFIB for their concurrence and  
subsequent issuance by you as a policy document binding on the  
Intelligence Community.
